

A surreal advertisement for a furniture collection. The scene is set in a coastal landscape at sunset. In the center, a classic black leather Chesterfield-style armchair with brass nailhead trim stands on a bed of driftwood. To its left is a small, dark, ornate table with a lamp that has a black shade and a small figurine on top. In the foreground, a silver tray holds two large, iridescent shells. The background features a calm sea, distant mountains, and a sky with soft, golden light from the setting sun. The text 'Traditional Collection' is overlaid in a white serif font on the right side of the image.
